| | You need a phone number or a verified address | |
| | We'll need one more way to verify your identity. The easiest way is to send a code to your phone by text message (SMS). Your phone must be a U.Sbased mobile phone number associated with your name. | |
| | You can also complete identity verification by receiving a letter in the mail. If you choose this method, you'll either need a U.Sbased phone number OR an iPhone, iPad, or Android device to complete registration. | |
